

**MCSV Survey 2015-16
Principal Feedback**

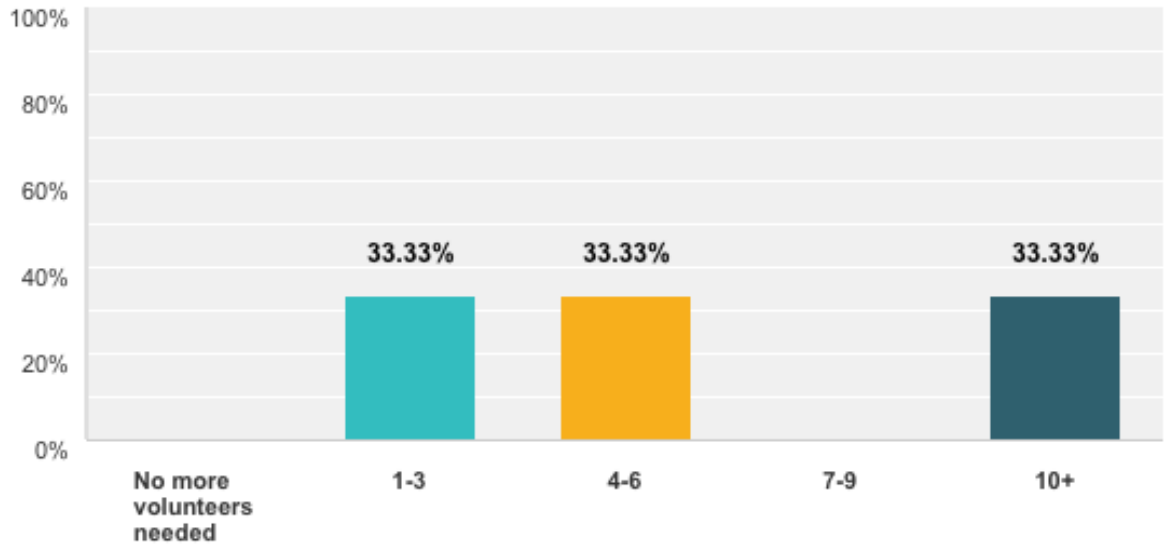

What percentage of your student population falls into these demographic categories? (enter 0% -100%)

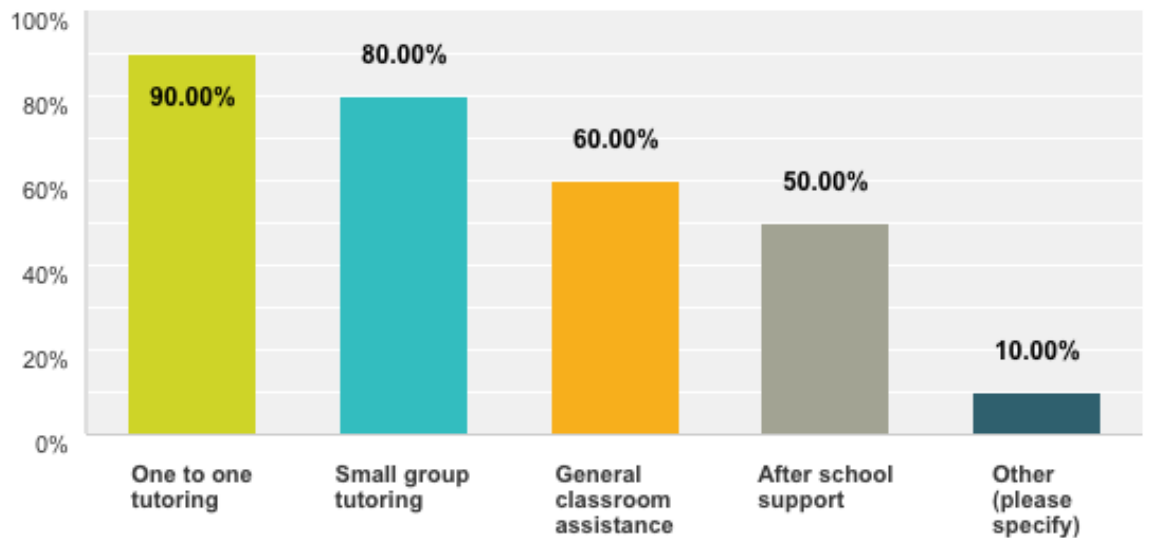

Are there other volunteer organizations in addition to Marin County School Volunteers participating at your school?

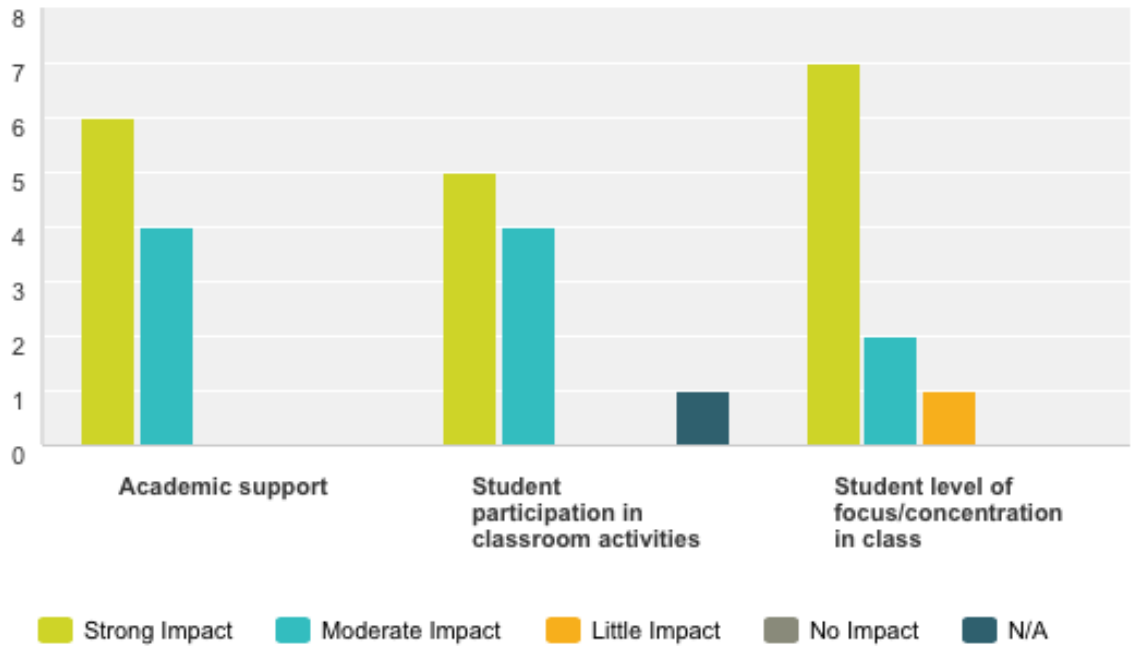

Does your school have the capacity to utilize more MCSV volunteers if they are available? If yes, approximately how many additional volunteers would you prefer for 2016-17?

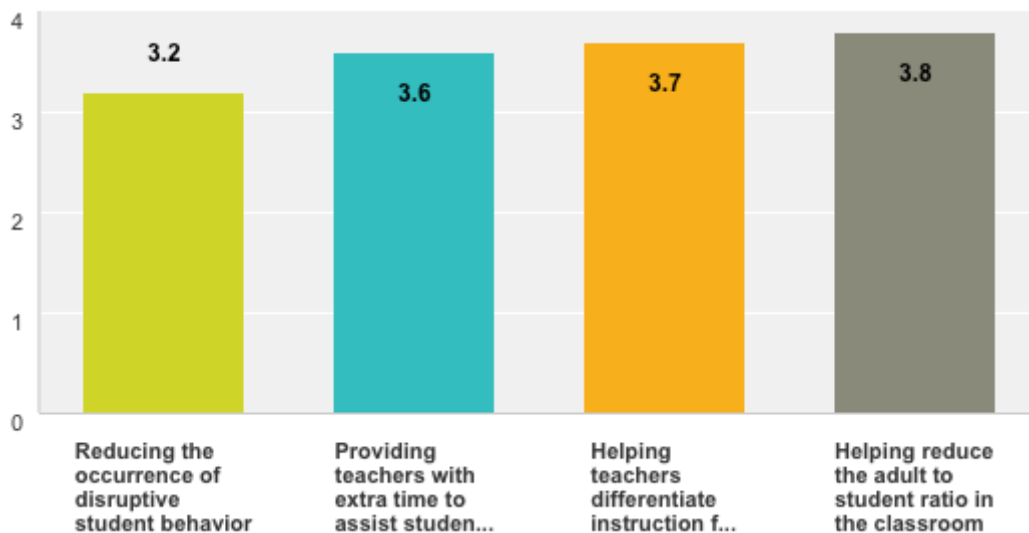

What type of volunteer support is most needed at your school site (choose more than one if needed)

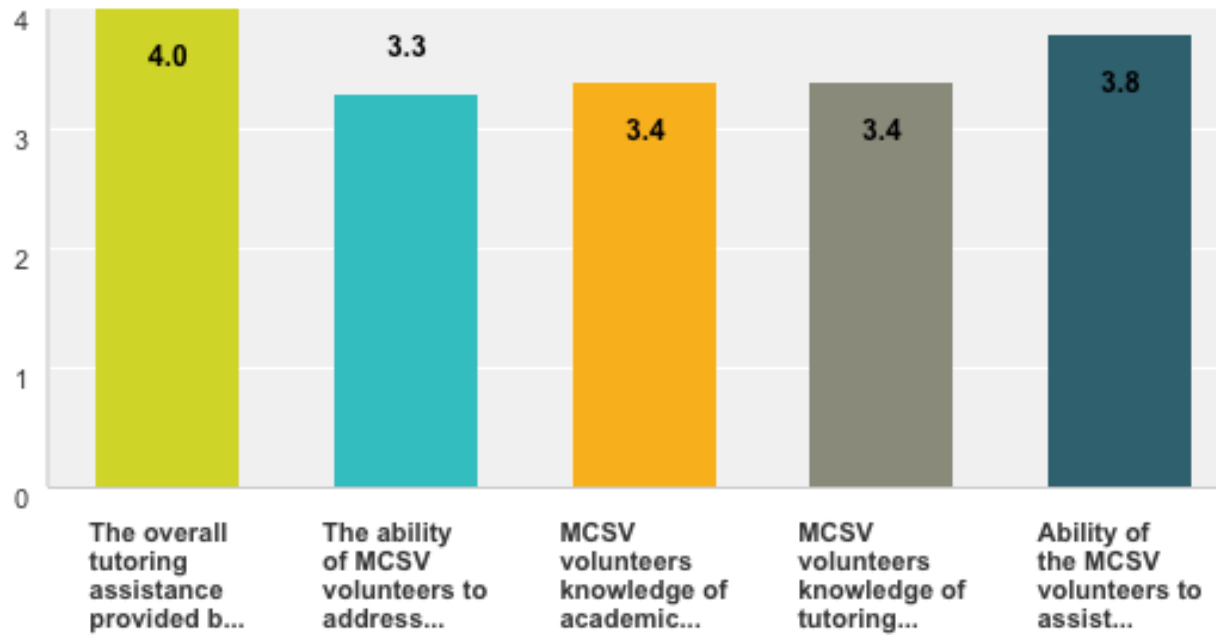

Based on the feedback you have received from staff, administration, and parents, rate the impact MCSV volunteers have had in the following areas:

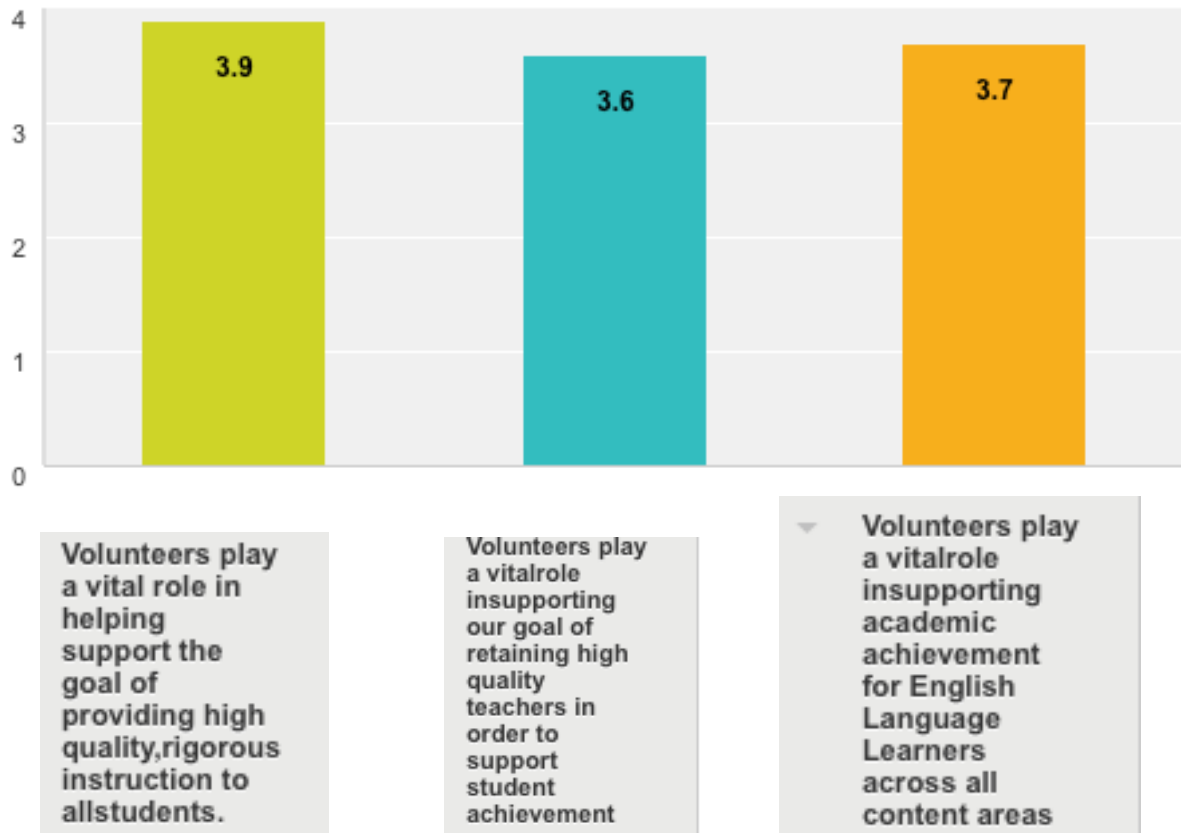

Based on feedback you have received, please rate the impact MCSV volunteers have had on your teachers in the following areas:

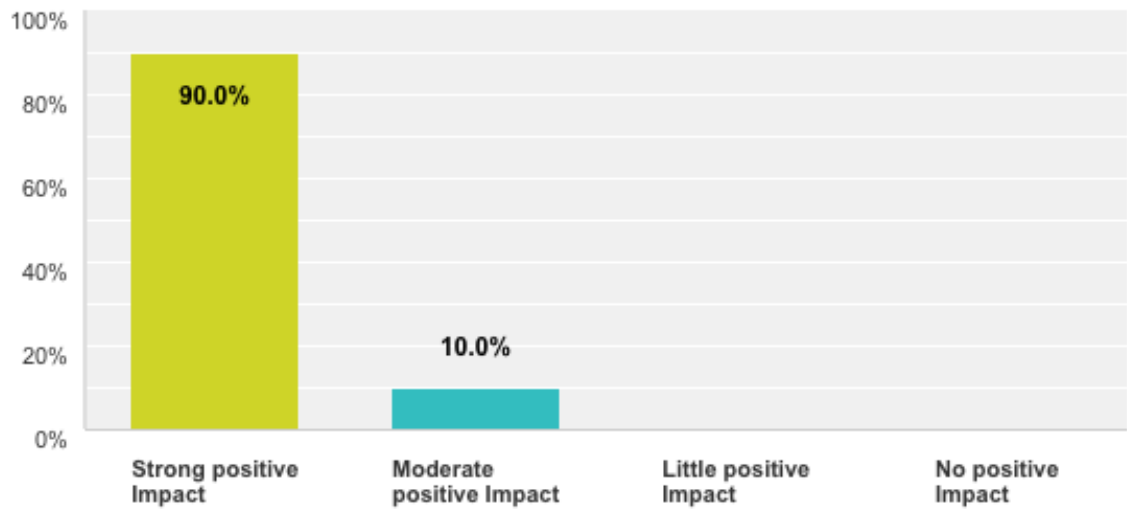

Based on feedback you have received from staff, administration and parents, please rate MCSV volunteers on the following:

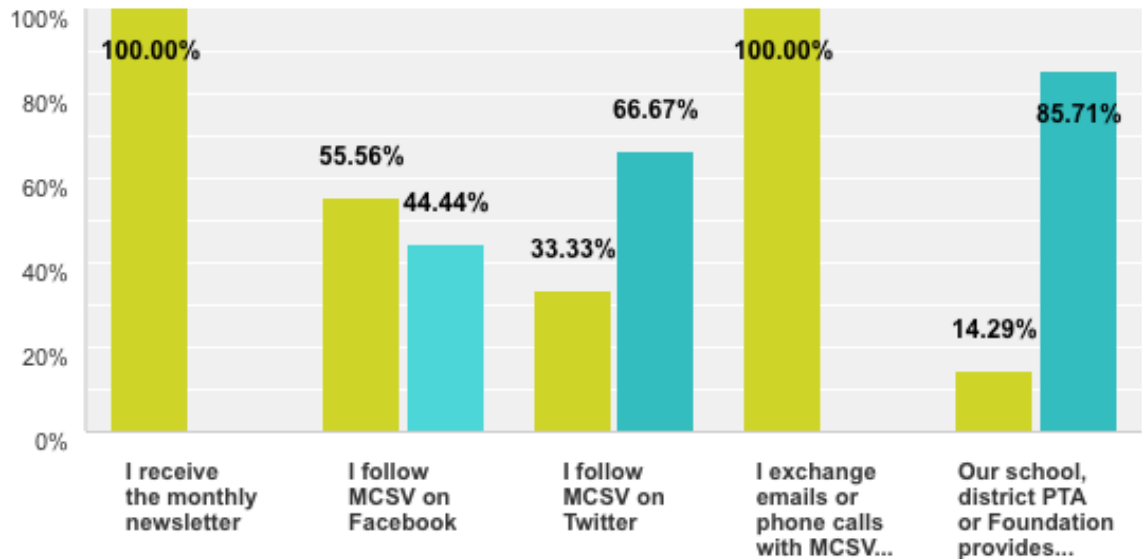

Please rate your level of agreement with the following statements:

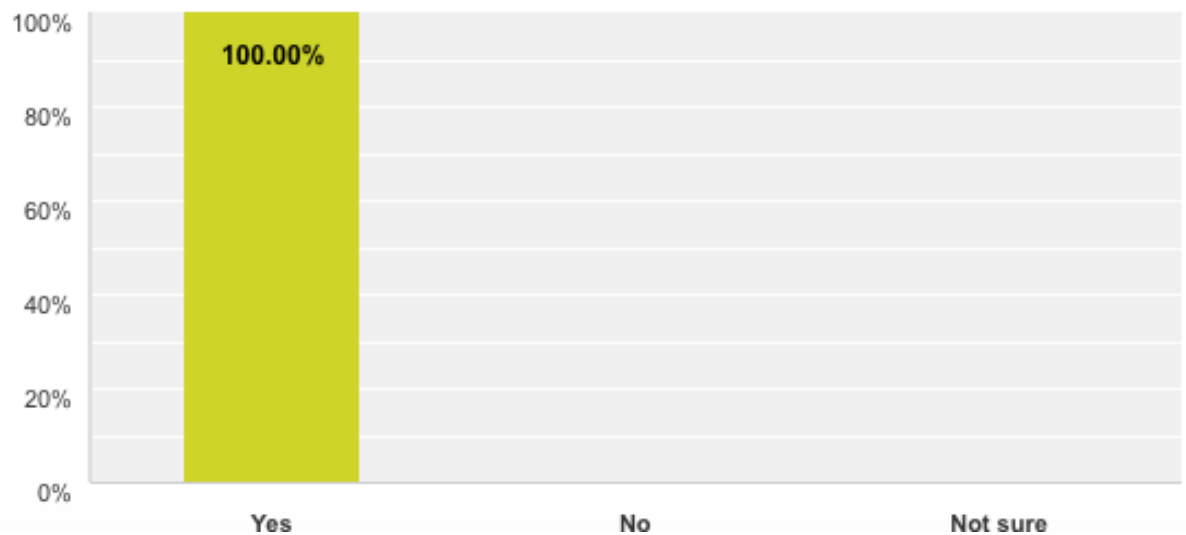

Please rate the overall impact of having MCSV volunteers at your school site:

In what ways do you communicate or engage with MCSV?

I know who I can contact within the MCSV organization if I have a question or concern:

What additional knowledge/skills/training would you like your MCSV volunteers to possess?

Bilingual Spanish? Really, that's it – the MCSV Volunteers are phenomenal!

We are working with Mentor Me to continue to grow the after school student supports offered at Hamilton and hope to increase the number of MCSV's participating in the programs - Homework Center, Sports Programs, etc

Characteristics of adolescent learners

Continued support with classroom management- how to make strong connections with students

More volunteers, they really love the kids, and feel for them

Do you have any suggestions regarding how to improve the MCSV volunteers program? Or, additional comments that you would like to share?

I have had much more contact with MCSV than in the past. They have reached out to our volunteers and staff through on site events, email, recognition events, etc.

It is so incredibly heart warming to see our hallways filled with volunteers working with individual students or small groupsthe kids love it. It has made a huge difference for some of our neediest kids to have that individual attention from an adult that cares.

You guys are great! Keep 'em coming!

We love our volunteers and feel so blessed to have them!

Get taken over by a larger non-profit to help mainstream the operations

Yes, bring a few more because the ones we have are wonderful.
